

MEHAR TABLEWARE PVT. LTD. - INDIA.

WWW.DINEWELL.IN

**YOUR ALTERNATIVE SOURCE FOR 100%
MELAMINE PRODUCTS**

MEHAR TABLEWARE COMPANY HISTORY

- ❑ Founded in November 2014, our India factories manufacture melamine products in two separate factories. One factory is used to produce 100% melamine products and one factory is used to produce mixed melamine products (called the 70:30 in China).
- ❑ Initially melamine products were manufactured for the Indian market and expanded to supplying the Middle East, Asia & European customers.
- ❑ From day one we invested in US & European designers, to enhance our global appeal. **Dinewell** is our brand for 100% melamine tableware products.
- ❑ In 2018, we showcased our 100% melamine products at the Ambiente Show in Germany and the Chicago Houseware Show. We were certain our technology and our designed products were ready for the United States & the World market.
- ❑ Pottery Barn, TJX, Marshalls, Libbey, Bon Chef, Arhaus gave us our first United States purchase orders. They studied our product quality and our pricing compared to China factories. In addition, the United States tariff on China goods enhanced our price advantage. These major retailers were looking for an **alternative source for melamine products**.
- ❑ In 2024, we are aggressively presenting our melamine products to all United States & European customers. With our lower than China F.O.B. pricing, as well as the tariffs continuing on China Imports, a good price advantage has been created. With our registration on the **REX System**, Clients in Europe can enjoy **“0%”** Custom duty when importing in Europe, from us.
- ❑ After a very successful Ambiente 2023 show, we have added a lot of new clients from Europe and the Middle East. This clearly shows that we, in India, are fast emerging as a strong and reliable sourcing partner for the 100% Melamine products, to the entire world.
